LEWIS & CILBERT, Proprietors.

Why do I insure my Life in the NEW YORK LIFE.

- **Because** its New "Accumulation" Policy is the most liberal Life Insurance Contract that has ever been devised.
- It contains no conditions or restrictions as to residence, travel, occupation, suicide, dueling or "death in violation of law."
- Its Accumulation Policy is absolutely incontestable after being in force one year.
- It allows thirty days' grace for the payment of premiums, and the Policy is kept in force during the thirty days.
- It Loans to Policy Holders Money at the rate of five per cent. interest per annum.
- Death Claims are payable "immediately" upon receipt and approval of proofs of death.
- It attaches to the Policy a copy of the application.
- It gives extended insurance by its terms for the full amount of the Policy in case of lapse.
- There is not another Policy issued by any Company in the world COMBINING ALL FEATURES so favorable to the Insured as the "Accumulation" Policy of the NEW YORK LIFE.
